I understand that you are supporting the
Irradiation
Bill #98N-1038.

Please STOP THIS BILL.

As a retired veterinary pathologist, I am
totally against the use
of irradiation on food. There is no need
for it and there are
potential negative effects. Spend the money
on educating
people rather than irradiating food.

Lynn Bishop, D.V.M., Diplomate, ACVP

98N-1038
